Ellen,  
I completed my review but am awaiting instructions from the OCFO as to the specific language that is needed to insure that the Trust experiences no unnecessary delay in receiving the payment from DPR. I sent this back to Kay and others yesterday with no response. I was, however, advised by Ms. Durden that the amount for the [REDACTED] is \$45,000.00 rather than \$70,000.00 as you stated yesterday. It may be helpful if I get Mr. Fuqua and our fiscal officer to speak TODAY. I just got back into the office and will go upstairs to the budget office momentarily and try to call you from there. I really would like to close this out. Thanks.
